F. Approve and accept the grant from Donors choose from Multiple classroom teachers with the help of Sarah Stone, Julie Campos and Victor Valdez. The school got 60 privacy screens for our computers for state testing allowing us to use 30+ computers in each room and making it nearly impossible for anyone to see anyone else's computer screen. Along with multiple other supplies such as a new kidney table to be used for reading and Math centers, many markers for students to use on whiteboard in learning activities and bookshelves, storage bins as well as much more. One donor from Phoenix personally funded many of our projects totally well into the thousands of dollars- all the donors ask is that it helps kids, and it is appreciated.

G. Approval of resignation from Marcia Bruno effective May 6th for personal reasons.

H. We will have Summer School for 10 days over 3 weeks for grades 1-5 and 1 full week 5 days from 8 to 4 the first week after school for Middle School. Middle School will be only Credit Recovery. We also hope to offer for everyone who is interested science activity times as many days as we can during our 10 days of summer school either in the morning or afternoon. The U of A has said they will come down so we are waiting for confirmation of days and times, but our Middle School loved the science Activities they brought to Naco last month. We also plan to offer makeup or credit recovery during the last 2 weeks during study halls and after school if students will use the time wisely.
