The law also requires that the governing board include the percentage of classroom spending in the combined categories of instruction, student support, and instructional support as defined by the auditor general, in the school district's adopted budget on the page of the budget that the governing board members sign.

For districts with a letter grade classification of C, D, or F, the law requires that those districts allow thirty days after that public meeting is held, (JUNE 19, 2015) for the community to submit comments and recommendations to the governing board.
