> Q&A: How do I create an applicant account?

Question

How do I create an applicant account?

Answer

To create an applicant account click '**Sign In/Register**' at the top right of the page.

Once you click on '**Sign In/Register**' you will want to click on '**Don't have an account? Sign Up**'.

Enter your email address to log in.

Continue

Don't have an account? [Sign up](#)

You will then enter your email address and click '**Continue**' .

Note: If you previously had an account please use the email that was used on that applicant account to link the two

Create Your Account

Sign Up to PowerSchool to continue to SchoolSpring.

Continue

Already have an account? [Log in](#)

The system will then prompt you to create a password for your applicant account.

Create Your Account

Set your password for PowerSchool to continue to SchoolSpring

 [Edit](#)

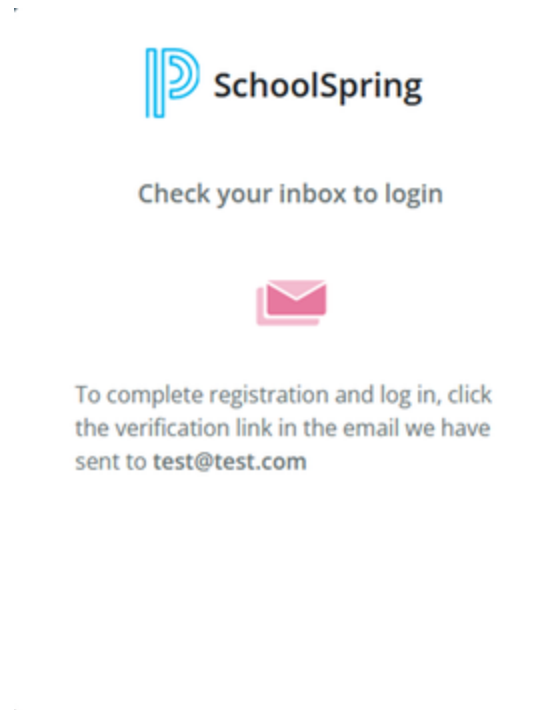

Password

Your password must contain:

- At least 8 characters

Already have an account? [Log in](#)

The only criteria for the password is to be at **least 8 characters long**. Once you hit **Continue**, an email will be sent to **your email** that you put into the system.

The email address that this email comes from is no-reply@powerschoolcorp.com. If you do not retrieve the email, check **your spam and junk folders**. Click on the **verification link** to verify your account.

Email Verified

Your email address was successfully verified.

[Back to SchoolSpring](#)

You have now successfully created your applicant account! You will now be able to use this account to apply with any district using this site.
